

## Who is the RHBC Choir. . .

The choir is a family. We love to laugh, sing, and fellowship together. It is an exciting ministry to be a part of because the Lord continually blesses us and uses us to accomplish incredible things. Most of all, it is a calling; a delightful calling and sense of purpose for our lives as believers in Christ.

The choir is a beautiful representation of the entire church in that we are a varied people; various backgrounds, various interests, various preferences in music, various personalities... God always makes a wonderful unity out of our individualities, something only He can do. We offer our time, talent, and energies to Him in love, that He might be exalted through our praise and that people may be drawn to Him through our witness.
